* Please submit a [Program Assessment Plan Change](#) form.

Rationale for proposed changes:

With this change, CJT 199 On-the-Job Training will become an alternative course in the program to CJT 223 Juvenile Justice. This will allow the internship (CJT 199) course to be part of the program and it will then be eligible for financial aid.

Financial/staffing/equipment/space implications: CJT 199 is already a course in our program; however, as it is an elective, students must pay for the course out-of-pocket. Adding the course as an option will have no impact on costs to WCC.

School of Criminal Justice and Law Enforcement

These programs help students develop the skills and knowledge necessary for work in law enforcement and criminal justice. Completion of the Police Academy Certificate prepares the student to meet the Michigan Commission on Law Enforcement Standards (MCOLES) necessary for a career as a police officer. Students preparing for employment in occupations that do not require completion of the MCOLES/Police Academy, or that do require a four-year degree (such as most Federal employment) can begin their studies by obtaining a Criminal Justice Associate of Arts degree, which is transferrable to most baccalaureate programs. This degree is described in the Transfer and University Parallel Programs section of the catalog.

Before beginning any transfer program, a student should consult with an academic advisor or counselor to obtain a program articulation agreement, or a transfer guide. Early in the program, the student should contact an undergraduate advisor at the transfer college for specific admission and curriculum requirements and, if available, an unofficial transfer-credit evaluation.

Copies of articulation agreements and transfer guides are available in the Counseling Office on the second floor of the Student Center Building. Computers with access to the Internet Web sites of four-year colleges and universities are also available there.

Program Information Report

School of Criminal Justice and Law Enforcement

These programs help students develop the skills and knowledge necessary for work in law enforcement and criminal justice. Completion of the Police Academy Certificate prepares the student to meet the Michigan Commission on Law Enforcement Standards (MCOLES) necessary for a career as a police officer. Students preparing for employment in occupations that do not require completion of the MCOLES/Police Academy, or that do require a four-year degree (such as most Federal employment) can begin their studies by obtaining a Criminal Justice Associate of Arts degree, which is transferrable to most baccalaureate programs. This degree is described in the Transfer and University Parallel Programs section of the catalog.

Criminal Justice (AACJ)

This program helps prepare students for jobs in the courts and in corrections (such as probation and parole) as well as state and federal law enforcement. Articulation: Davenport University, Bachelor degree; Eastern Michigan University, BA degree and several BS degrees*.

*For those interested in pursuing a degree in Criminology and Criminal Justice from EMU, students may take 30 additional credit hours at WCC and transfer a total of 64 credits to EMU towards a Bachelor's Degree (124 hours). The following additional classes are recommended: ANT 201, SOC 207, SOC 250, and PSY 257. Copies can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site: <http://www.wccnet.edu/departments/curriculum/articulation.php?levelone=colleges>.

Program Admission Requirements: Students must have an Academic Math Level of 3 to enroll in MTH 160. One year of HS algebra is recommended.
