Course Description

In this course, students learn how to request, set up, operate, and tear down the United Association (UA) Training Trailers (trade-specific). Students will discuss the administrative requirements, policies, procedures, and costs involved with utilizing UA trailers at their local Training Center. In addition, students will safely demonstrate set-up, operation and tear-down of a trailer in a hands-on environment. Successful completion of this course will earn a UA qualification card. The title of this course was previously UA Pipe Trades Trailer Operations. Limited to United Association program participants.

Course Objectives

| | Objective(s) |
|----|---|
| 1. | Set up a trailer according to specifications. |
| 2. | Set up and operate equipment at each teaching station. |
| 3. | Reference on-board equipment manuals to ensure that the displays are working properly during demonstrations. |
| 4. | Properly tear down and secure trailer according to trailer manuals. |
| 5. | Identify trailer specifications and limitations along with suitable placements. |
| 6. | Review all safety procedures and personal protective equipment (PPE) needed for setting and operation of trailers. |
| 7. | Discuss the use of the equipment on trade-specific trailers. |
| 8. | Discuss the prep work and outside equipment needed to set up and operate equipment on trailers, including electrical and gas. |

9. Identify the procedures for closing and inspecting trade-specific trailers.
10. Discuss the process for moving a trailer.
11. List the steps for requesting trailers using the UA.net website.
12. Complete a trailer request form and follow the process from the beginning to completion, including returning the trailer.
